

2009/2010
June District Deputy
Seminar
Soccer Challenge

Worthy State Officers, District Deputies and Brother Knights

This will be the 4th year of the Soccer Challenge Program sponsored by the Supreme Council. The Ct. State Council has supported this program since the beginning and has seen steady growth. Even with this growth over the last 3 years council participation has been lacking with only 12 councils reporting last year. With your help we are hoping to increase that number this year.

This program is one of the easiest to run. All you need is a site, indoors or out, a soccer goal, rope and a 2 soccer balls, size 4 & 5. You will need as few as 4 knights to judge and keep score. The book of rules, registration/scorecards and certificates are all supplied by the Supreme Council at no charge. They also have soccer balls which maybe purchased. These items are available now at the Supreme warehouse for ordering.

The schedule for this program is as follows: council competition held during the month of Sept., districts should be held the first 2 weeks of Oct. with the regionals the last 2 weeks. The State Finals will be scheduled over the first 2 weekends of Nov. I urge you to get your councils planning their competitions as soon as possible.

I am also asking for your assistance in acquiring sites for the regionals and state finals. If you have a council who would like to host any of these competitions please let me know as soon as possible.

Included with this report is a list of districts by regions and a form for the district deputies to use when reporting their councils' participation.

Thank you in advance for your assistance in making this program an even greater success this year.

Respectfully submitted
Kevin Donovan DD 25
State Soccer Challenge
Chairman
