

## 2007 CAMPAIGN FOR PEOPLE WITH INTELLECTUAL DISABILITIES

August 17, 2007

### TO: Grand Knights and District Deputies

The Campaign for People with Intellectual Disabilities (Tootsie Roll Drive) for 2007 is upon us again to support the many programs in the State of Connecticut for People with Intellectual Disabilities. Our goal for 2007 is to do the best we can; it would be nice to equal or better last year's achievement of **\$202,334.88**. The procedures will be the same as last year.

Enclosed is a list of the procedures for this drive, and ask that you take time to review.

The Tootsie Rolls are available from your area coordinators and can be picked up by the Grand Knight or the District Deputy for his Councils. The list of the area coordinators and the Councils assigned to them are enclosed. Please note that aprons ordered will be sent directly to the Grand Knight.

Councils, who placed orders, will receive what they ordered; the remaining councils will receive an equivalent number of cases based on last year's participation. Those Councils who did not participate last year will not receive any Tootsie Rolls; however, if you would like to join in on the drive please call the Area Coordinators or I and we will try to arrange to get the cases needed to you.

I hope every Council participates in the 2007 Campaign for People with Intellectual Disabilities; remember the Citizens of Connecticut with Intellectual Disabilities are counting on us for our continued support and financial assistance. Please do not let them down.

Fraternally yours,

**Ellis Canal, Jr.**

Ellis Canal, Jr., PGK, FDD, PFN
