Last year we had over 100 people.

This year we want 150!!

The state sponsors two Living Rosaries on either end of the state so that everyone can be close to one of them. Distance is no longer an excuse for not attending. Other commonly mentioned excuses include:

I am not interested You may not be interested in golf or bowling or dinners etc. But how can you not be interested in Jesus Christ's Mother? Jesus died for our sins, Mary is the perfect example of how we should live and she is also the patroness of our order. She deserves our interest and devotion, besides you promised your devotion to her when you joined the Knights!

I don't have the time Time is our most precious commodity. Remember the bible story of Abraham who was asked by God to sacrifice his most precious possession – his only son. What better gift can we give back to God than what is most precious to us – our time.

Come and enjoy the day. Start with Mass at 10:00 and enjoy some quiet time in the peaceful setting or have an enjoyable lunch in historic Mystic. Visit the Chapel and wander the grounds. The Rosary will form up at 12:45. DD's should wear robes and everyone should sign in.

We are a family organization, so don't come alone - BRING THEM ALL!!
