

LIVING ROSARY

October 4, 2009

2:00PM

PLAN NOW SO THAT YOUR COUNCIL WILL BE THERE

Lourdes is a quiet restful setting with spacious grounds, picnic area, gift shop, cafeteria serving lunch and snacks daily, Stations of the Cross, and the following meditation sites: Shrine of the Sacred Heart, Shrine to St. Michael, Shrine to St. Jude, Shrine to St. Joseph, Shrine to St. Louis de Montfort.

WORTHY GRAND KNIGHTS Its up to you! If you do not actively promote attendance at the Living Rosary, No One Will Attend!!

The annual Living Rosary is one of the state wide functions that distinguish us from the many other fraternal organizations.

We are a Catholic organization, founded by a priest , and dedicated to our faith.

We all should carry the Rosary with us and pray it as often as possible.

Our Order is dedicated to Mary who we look to as our patroness.

Can we not take one afternoon to publicly pray together to Mary?

Can we not do something more than attend Mass once a week?

Can we be the light of the world that Jesus call us to be?

Can you spare the time to show the world by example?
